*For cataloged applications, whichever comes first – from date and mileage of installation by an authorized GM Dealer or qualified service center. For over-the-counter sales, warranty begins on the date and mileage of retail sale. Every effort is made to make this comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, to materials, equipment, specifications, and availability. Since some information may have been updated since the time of printing, please check with your dealer for complete details.
